### Welcome back to the Summer Term!

I can't believe the Summer Term is here already. The year is flying by too quickly! Thank you for sending your child to school in the correct uniform. We are so incredibly impressed with how smart the children look. Many of the girls especially, have commented on how they like the summer dresses. We all really appreciate your support and value the positive comments we receive from you! We have an exciting term ahead of us, but first we have the statutory SATs for Year 6 and Year 2, and of course the phonics screening for Year 1. We are currently carrying out pupil progress meetings where we track the children's progress and are discussing ways in which we can support every child in achieving their full potential this academic year!

Please keep an eye out for all the events we have planned for this summer term. The staff and I look forward to enjoying these events with you.

Have a lovely weekend and God bless. *Miss Kelly*

### Brian McLoone - RIP

It is with great sadness we would like to inform you that Brian McLoone, a previous Headteacher of St Catherine's for 15, years passed away on Easter Monday. Brian was a wonderful advocate for Catholic Primary education and served the St Catherine's community with a natural warmth and love for all the staff, pupils and families.

There will be a memorial mass for Brian next month at St Agnes Catholic Church in Cricklewood. Brian's wife and daughter would welcome anyone who knew Brian to join them in remembering Brian and celebrating his life. Please think of them in your prayers.

### Rights Respecting Schools

Year 5 have composed poems about the importance of being a Rights Respecting School. Here is Stephanie's poem.

**R**espect all the rights.  
**I**magine how you would feel.  
**G**round shaking , bombs dropping.  
**H**ouses bombed and broken.  
**T**heir belongings all taken!  
**S**helters are unsafe for life.  
**R**ights protect you.  
**E**veryone has the responsibility to keep people safe.  
**S**tand up for your rights.  
**P**ray for those whose rights have been lost.  
**E**mbrace the orphans.  
**C**onvention is here for children.  
**T**hink of ALL the children.  
**I**magine a world of torture and sorrow.  
**N**ever stop people following their rights.  
**G**o and walk hard to stand up for the rights of all children.  
**By Stephanie**

*Thank you to the children of year 5 who composed such thought provoking poems. Many of these are on display in the main hall.*

### Rights Respecting Schools

We continue to introduce the new Article of the Month and the Thought for the Month. These are displayed in all classes, at the After School Club and in the main hall.

#### April & May 2017: Article 29

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Goals of education.

### School Council

As we begin our new term the School Council plan to meet every 2-3 weeks to discuss our plans and ensure the children remain happy and safe. It is wonderful to return to such lovely weather enabling the children to use the field at play times and providing even more activities for the children to enjoy.

Please join me in congratulating our Kitchen staff who have recently been awarded the 5 star Food Hygiene rating. To show our appreciation we presented the kitchen staff each with a beautiful orchid, and the children clapped and cheered!

We are very fortunate at St Catherine's to have such wonderful kitchen staff who ensure the kitchen and the food that is served from it is of the highest quality. A special mention goes to our fantastic cook Edith who is devoted to all the children and staff at St Catherine's we are so lucky to have her!

## SCHOOL OFFICE BULLETIN BOARD

### School Trips - The Facts

We have had some questions from parents recently regarding the financing of school trips and so have put together some information to explain the process.

**Calculating the Costs:** The school is not permitted to make a compulsory charge for educational trips that take place during school hours. This is why we ask for a 'Voluntary Contribution'. This is calculated by taking the entire cost of the trip (transport, entrance fees, workshop charges) and dividing by the number of children in the year group or class. This figure calculated is the figure you see on ParentPay for a trip. We are not permitted to make any profit from trips, therefore **if** 100% of the voluntary contributions are made this will only cover the full cost calculated for a trip. No element of any payment made is subsidising any other child in any way. Your voluntary contribution covers the costs for your child only.

**School subsidy:** If not all of the voluntary contributions for a trip are made then the school is obliged to make up the shortfall, as by law if a contribution is not received for a child we cannot prevent that child from attending the trip. However, we can cancel the trip. This is why we tell you in the initial trip letter, and in all subsequent communication, that if insufficient funds are received the trip will be cancelled. Please bear this in mind when you are asked to make a voluntary contribution for a trip. For example, Year 1 will go to Whipsnade Zoo soon, and the cost per child is £21.67 as they have coach, entrance and workshop charges for this trip. If 5 people do not make their contributions, this means £108.35 has to come from school funds. This is the equivalent of 200 glue sticks, or 4.3% of an interactive whiteboard. These are the types of areas from which funding has to be taken.

There has been a lot of publicity recently about the increasing squeeze on school budgets, and this is only going to get worse. Therefore it will become the case that if sufficient voluntary contributions are not made before the trip takes place, we will be forced to start cancelling trips, which would be a great shame for the children.

**Permission:** We give out a permission slip on the bottom of school trip letters, which only needs to be returned if a voluntary payment has not been made. Consent is automatically requested on ParentPay from parents in order for a voluntary payment to be made.

If you have any questions about school trips and voluntary contributions, please speak to Kim McKenzie or Cathy Lewis in the school office in the first instance.
