School Council Minutes

Date: Monday 7th November

Time: 2.30p.m.

The theme of our meeting was around Anti-Bullying Week. The teachers were asked to chat to the children about the reasons we feel our school is a safe and happy place to be. We also wanted to know of any ideas and suggestions.

We are happy because...

- We have a culture of helping and caring for one another
- Mrs Isaacs, our Pastoral Leader, is always there for us. She always finds the time to help us and then talks to our teacher and sometimes our parents.
- Adults and older children help us talk through things so we can solve our problems and make things better.
- We all follow the Gospel values and want to be a part of this community.
- Our teachers and staff guide us if we need help and explain situations to us.
- We are very forgiving and always try to follow the Gospel values.
- We have Circle Time and we discuss any worries we have about friendship, relationship, responsibility
- We know that we have so many people in our school who care for us and will help us at any time. We know the importance of 'TELLING' someone if we have a problem or if we are unhappy.

E.B.I (Even Better If)

- **We really found this hard to think of ways to make it better as we all genuinely felt the above. The only idea was that all teachers used music more to start the day – set the scene. Dancing as a daily exercise was suggested to make everyone happy and of course fit before we start the learning.**

Anti-Bullying Week- 14-19th November

Staff will be dressing up as super heroes and there will be assemblies around using our powers for the 'Power for Good'.
