

St Catherine's Catholic Primary School

"Loving and Learning Together as Jesus taught us"

Behaviour Policy

Date of policy review: September 2026

Next review: September 2027

Policy Reviewed & Passed by the Governors
Key Person Responsible: Maureen Kelly

Our Mission

Loving and Learning together as Jesus taught us

Our Vision

Our school will provide a loving, secure and stimulating learning environment, where everyone will grow in their faith journey and be inspired to be the best person they can be.

Our Aims

- To value and encourage the whole school community to develop their God given potential
- To nurture and support each child in their faith journey as a worshipping community
- To promote and encourage the individuality of all, respecting ethnicity, attainment, age gender, disability and background.
- To provide a learning environment and curriculum that is safe, stimulating, creative and challenging
- To create a partnership involving school, home and parish and the wider community
- To help each child develop a positive self-image with a healthy lifestyle to become confident individuals who will contribute to society
- To instil a lifelong love of learning

Our Values

Love :- we show compassion towards each other

Faith :- we place our confidence, belief and trust in God

Integrity:- we strive to be honest and truthful in what we say and do

Diversity:- we recognise that each individual is unique

Excellence:- we achieve our best in all that we do

Rationale – Why we need a Behaviour Policy at St Catherine's.

To provide a secure and orderly atmosphere where effective teaching and learning can take place in an environment of mutual respect which strives to foster Gospel values.

Aims of Policy

- To ensure our school is a safe, caring and supportive environment where children can learn and teachers can teach.
- To define acceptable standards of behaviour.
- To encourage consistency of response to both positive and negative behaviour.
- To promote self-esteem, self-discipline and positive relationships in order for children to take responsibility and own their own behavioural choices.
- To ensure that the school's expectations and strategies are shared and understood by all staff, volunteers, children, governors and parents.
- To encourage the involvement of both home and school in the implementation of this policy.

Purpose – What we want to achieve

- We want children to value and support each other and all adults as individuals in a school community which strives to live by and foster Gospel values.
- We would like our children to promote positive behaviour such as honesty and courtesy through their action in line with our Rights Respecting Gold Award.
- We want our children to develop relationships based on kindness, respect and understanding of the needs of others.
- We want children to treat everyone fairly regardless of age, gender, race or ability.
- We want our children to show appreciation of the efforts and contributions of all.
- We want the children to develop strategies and skills, which will help them to be resilient and yet also compassionate and forgiving when they deal with difficult situations.
- We want our children to take responsibility for their own actions and be aware of the choices and consequences that are available to them.

Standards of behaviour

The children at St. Catherine's bring to school a wide variety of behaviour based on differences in home values, parenting and attitudes. The school has a central role in the children's social, emotional and moral development just as it does in their academic development.

In St Catherine's we work towards standards of behaviour based on the basic principle of honesty, respect, consideration and responsibility. We are committed as a school to instilling the five British values of tolerance, respect for others and belief in democracy, rule of law and individual liberty.

The Curriculum and Learning

We believe that an appropriately structured curriculum and effective teaching and learning contribute to high standards of behaviour. Through planning for the needs of individual children, the active involvement of children in their own learning, and structured feed-back all help to avoid the potential for inappropriate behaviour and negative choices.

Classroom Management

Classroom management, behaviour strategies and teaching methods have an important influence on children's behaviour. The class teacher and the classroom environment give clear messages to the children about the extent to which they and their efforts are valued. Relationships between teacher and children, learning strategies for encouraging good behaviour, arrangements of furniture, access to resources and classroom displays all have a bearing on the way children behave.

Rules and Procedures

Rules and Procedures should:

- Be positively stated.
- Be consistently applied and enforced by all members of the school community.
- Promote the idea that every member of the school community has a responsibility to follow the rules, for the good of the whole.

School Expectations of children

- Wear the correct uniform and hairstyle at all times.
- Enter the school premises from 8.30am unless attending Breakfast club or scheduled sports/music club they are a member of.
- Move around the school building sensibly and quietly.
- Only stay in class at breaktimes if supervised by an adult.
- Not to bring a mobile phone to school. Permission for non-smart phones must be sought from the Headteacher.

At St Catherine's the primary message to communicate is ***'You own your own behaviour.'*** Children show a commitment to the values in the Class Charters displayed in every class throughout the school.

Pupil Support System

St Catherine's has an Inclusion Leader Mrs Selvi who supports children and families with pastoral care throughout the school.

- Children are supported in their behaviour depending on the individual child's needs.
- Children may be offered social skill groups, 1:1 support, individual behaviour support plans in accordance with their needs. The Inclusion Leader will utilise Restorative Justice and Conflict Resolution approaches when appropriate.
- Arrangements are made for children who we know will find certain situations difficult. For example they are informed ahead of the event and are given time to ask any questions they may have.
- We have a Friendship Stop (known as the Buddy Bench) for children who find it difficult to initiate an interaction or join a game.
- The prefects, school council members, RRS Ambassadors and house captains are trained to lead by example.

Class Expectations - The role of the class teacher

- It is the responsibility of the class teacher to ensure that the school expectations are enforced in their class, and that their class behaves in a responsible manner

during lesson time. This includes implementation of reminders, warnings, time outs or rewarding positive behaviour with house stars.

- We believe that an appropriately structured curriculum and effective learning contribute to good behaviour. Through planning for the needs of individual pupils, the active involvement of pupils in their own learning and structured feed- back all help to avoid the alienation and disaffection which can lie at the root of poor behaviour.
- It follows that lessons should have clear objectives, understood by the children and differentiated to meet the needs of children of different abilities. Feedback and Marking can be used both as a supportive activity, providing feed-back to the children on their progress and achievements, and as a signal that the children's efforts are valued and that progress matters.
- The adults in our school have high expectations of the children in terms of behaviour and they strive to ensure that all children work to the best of their ability.
- The class teacher treats each child fairly and enforces the classroom code consistently. The teacher treats all children in their class with respect and understanding.
- For early help or any worries/ concerns the child may have it is the class teacher's responsibility to implement a system to facilitate this e.g. bubble time, pegs, worry/ concern / suggestion box

Class Expectations – The role of the children

At St Catherine's we promote a growth mindset, a love of learning and a resilience that is essential for lifelong success. Teaching about growth mindset creates motivation and raises achievement in the classroom and the staffroom. It also enhances wellbeing and relationships.

We encourage the children to-

- To show respect to all adults by looking at the person when speaking to them
- To listen carefully to adults and peers without interrupting
- To think carefully about what has been said before responding
- To complete their work within a set time
- To stay focused on a task
- To be proud of their learning
- To understand that presentation is important. To always try their best and to have a go
- To be independent learners who take responsibility for their learning in the good behaviour choices they make
- To appreciate that every day at school matters in terms of their learning and progress

Class time Rewards

Our emphasis is on a reward system to reinforce good behaviour. The commonest reward is praise – informal, formal, public and private.

The following class strategies are used to recognise and promote good behaviour.

- **House stars – will be used in every class in the school.** Stars are given by all staff for a child's excellent effort, excellent behaviour or for challenging themselves in their learning. They can be given out in every teaching session. The children's name will appear on the class star chart and the individual child will put their star in their House jar.

- **Celebration Assembly** – stickers are presented to individual pupils who have articulated to the rest of the children what they have enjoyed learning in the week.
- **Personal Awards for each class** -Class teachers will use a variety of class strategies to praise the children for showing positive learning behaviours e.g. ladders, marbles in a jar, paper chains
- **Headteacher, Deputy Head and Assistant Head stickers.** Children are sent to the Head, Deputy or Assistant Heads for praise and a sticker if the child has made a superb effort in their learning or has behaved brilliantly.

Dealing with inappropriate behaviour

This is a cascade model. It involves dealing with disruptive and rule breaking behaviour. It is important that both the children and the parents know the consequences of their actions and that all sanctions are applied consistently and fairly. The primary message to communicate is:

'You Own Your Own Behaviour.'

Sanctions

St Catherine's employs a number of sanctions to enforce the school values, and to ensure a safe and positive learning environment. The children recognise that for every action there is a consequence. Every day is a new day and children learn to own their behaviour.

These sanctions will be used consistently throughout the school by all staff.

- Each child will be given a "Reminder" if they are not following the rules as they should. Behaviour that causes the teacher to stop teaching and therefore stops children or the individual child from learning is not permitted.
- If the behaviour persists the child / children will be moved onto the orange "Warning."
- If the behaviour continues to persist the child's name will be moved onto blue "Time out" and will be asked to go to a designated class. This will last for 5 minutes.
- All classrooms will have a designated time out area.
- Foundation Stage children have time out in their own class using a 1-5 minute timer.
- When a child is issued with a time out the incident is logged on behaviour tracker and the parent is informed. Teachers will maintain the tracking sheets.
- The Welfare and Safeguarding Support Officer will monitor the behaviour tracker weekly. If there are children who have been sent out several times for their behaviour, during a half termly block, parents will be contacted and invited to attend a meeting to discuss strategies to support their child's behaviour.
- Low level behaviour will not be tolerated in class and parents are asked to support the school in supporting their child to focus and listen to the adults.
- After each learning session in the day (there are approximately 4) every child has a fresh start. Their name is taken off all cards to start again. Any names on the star are taken down and all the children have another opportunity to impress the adults and their peers with their behaviour and learning behaviour.

Mobile Phones and Smart Watches

We are aware our children are growing up in an increasingly complex world, living their lives on and offline. This presents many exciting opportunities – but also challenges. At St Catherine's, mobile phones and smart watches are prohibited so that we can create safe and calm environments, free from distraction so all children can receive the education they deserve.

If parents wish for their child to carry a mobile phone to and from school, the mobile must be a non-smart phone that does not have access to the internet or a camera. This must be handed to a member of staff on the playground as the child arrives, or be handed in to the school office. The child can collect their mobile at the end of the school day. Please note, a smart mobile phone with parental controls enabled is prohibited also. Teachers will carry out regular bag checks for prohibited mobile phones and smart watches. Any mobile phones and smart watches found will be sent straight to the school office. Parents will be called to collect the device. If a child continues to bring a mobile phone to school they will receive a sanction.

Playtime and Lunch time Sanction

- The Meal time supervisors will issue a child with a reminder if their behaviour appears to be unkind or harmful. If it is repeated a warning will be given. If the behaviour persists the child will be given 5 minutes time out.
- Meal Time Supervisors and Teaching Assistants must praise and give sanctions on the playground as far as possible. Any swearing, fighting, or act of aggression which has led to a child being physically hurt must be referred to Mrs Ward the lunchtime manager who will inform a member of the SLT immediately. Lunchtime staff are expected to record such incidents on Arbor.
- When speaking to a child about their behaviour all Meal Time Supervisors, Teaching Assistants and Teacher:
 - Must make it clear to the child why the sanction is being applied.
 - Must be clear to the child about what changes in behaviour are required to avoid future sanctions.
 - Provide a clear distinction between minor and major offences, and sanctions should be proportionate.

Breakfast Club and After School Club

In line with the Behaviour Policy, After School club and Breakfast Club staff implement a positive and caring environment and approach towards all the children. We are consistent with the behaviour expectations and reward positive play.

Communication and Parental Partnership

- We give high priority to a positive working relationship with parents. We encourage parental partnership in many aspects of school life. This is crucial in promoting and maintaining high standards of behaviour.
- Where the behaviour of a child is giving cause for concern, it is important that all those working with the child are aware of those concerns, and of the steps being taken in response.
- Early warning of concerns should be communicated to the PCM.
- The school will communicate our policy and expectations to parents. (policy on website)
- Where behaviour is causing concern parents will be informed at an early stage and given the opportunity to discuss the situation.
- Parental support will be sought in carrying out the Behaviour Policy. It is sometimes difficult to understand why a child has misbehaved and it is often easy

to seek blame elsewhere. At St Catherine's we are committed to teaching children that it is their responsibility to behave and each individual child "owns their own behaviour".

- Any behaviour that is persistent and causes concern will be treated with sensitivity. The child and the parents will be supported by the PCM or if necessary by the Inclusion Leader who will be able to provide advice or if appropriate make referrals to the Educational Psychologist, the Inclusion Advisory Team, Early Help (BICS) or Children and Adolescent Mental Health Service.
- In rare cases, where a child is violent towards another child or a member of staff it may be necessary to use positive handling techniques. This is carried out by designated staff who are 'Team Teach' trained. Incidents are recorded and parents informed immediately.

Exclusion

If a child's behaviour shows no improvement after all available options to the school have been used and all other procedures followed, then a child will be suspended for a fixed term.

A child will be excluded if the incident in the opinion of the Head teacher is serious enough for the child to be immediately excluded without prior strategies being in place. Fixed term suspensions are in accordance with legislation.

Bullying

The school does not tolerate bullying of any kind. If we discover that an act of bullying or intimidation has taken place, we act immediately to stop any further occurrences of such behaviour. While it is very difficult to eradicate bullying, we do everything in our power to ensure that all children who attend school are free from fear.

The school will work closely with parents, and the children involved to ensure there is a positive outcome.

The SLT will ensure that relevant staff are aware of any reported incidents of bullying, so staff are vigilant of any repeated, harmful behaviours.

The children involved in any bullying incidents are monitored to ensure a recurrence is minimised.

A record is kept of all bullying incidents which is reported termly to the Governing Body. The log is kept on our Arbor System.

The role of the Headteacher and Governing Body.

It is the responsibility of the Headteacher, under the School Standards and Framework Act 1998, to implement the school behaviour policy consistently throughout the school, and to report to governors, when requested, on the effectiveness of the policy. It is also the responsibility of the Headteacher to ensure the health, safety and welfare of all children in the school.

The Headteacher supports the staff by implementing the policy, by setting the standards of behaviour, and by supporting staff in the implementation of the policy.

The Headteacher has the responsibility for giving suspensions to individual children for serious acts of misbehaviour. For repeated or very serious acts of anti-social behaviour, the Headteacher may permanently exclude a child.

If the Headteacher excludes a pupil, s/he informs the parents immediately, giving reasons for the exclusion. At the same time, the Headteacher makes it clear to the

parents that they can, if they wish, appeal against the decision to the governing body. The school informs the parents how to make any such appeal.

The head teacher informs the LA and the governing body about any permanent exclusion, and about any suspensions in any one term. The governing body itself cannot either suspend a pupil or extend the suspension period made by the Headteacher.

The governing body has a discipline committee which is made up of 3 members from the Catholic Life Committee. This committee considers any permanent exclusion appeals on behalf of the governors.

When an appeals panel meets to consider exclusion, they consider the circumstances in which the pupil was excluded, consider any representation by parents and the LA, and consider whether the pupil should be reinstated. If the governors' appeals panel decides that a pupil should be reinstated, the Headteacher must comply with this ruling.
