OUR VALUES

Through our faith we especially value:

love faith integrity diversity excellence

At St Catherine's we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers receiving services from the school, irrespective of race, gender, disability, religion and belief, or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and able to participate fully in school life.

We have carefully considered and analysed the impact of the Equality Policy on equality and the possible implications for individuals with protected characteristics which are age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation. As part of our commitment to meet the Public Sector Equality Duty (PSED) requirement we will have due regard to eliminate discrimination, advance equality of opportunity and foster good relations in all our endeavours.
