SPELLINGS HOMEWORK

This week your child has learnt 3 new strategies for learning spellings – word pyramids, tricky races and spelling doodles.

Word pyramids

Copy out the words one letter at a time in order to make a pyramid

Tricky races

Choose the tricky part (eg. augh in naughty) in a word and give yourself 30 seconds to write it out as many times as you can. Can you challenge a partner to race with you and beat you? Can you challenge yourself to beat your previous score?

Spelling doodles

Illustrate a word to help you visualise it and its meaning.

This week's spellings are:

imagine	ordinary
naughty	caught
peculiar	favourite
strange	heart
difficult
