

An update from
St Catherine's Primary School
4th November 2020

Thank you!

Thank you for all your hard work and support in getting us to the second half of this Autumn Term

We really appreciate your co – operation in helping us keep the St Catherine's community safe.

Please see the following slides – which are gentle reminders in preparation for this half term.

Holidays

Please inform us if you and your children have returned from another country.

The country may not be on the corridor list which will mean you and your children will need to quarantine for 14 days.

It is important you follow this guidance so that we can keep our children, parents and staff safe. A COVID 19 test on your return does not exempt you from quarantine.

Please see link below:

<https://www.gov.uk/guidance/coronavirus-covid-19-travel-corridors>

Symptoms

If you or any member of your household has any one of the recognised COVID symptoms please isolate for 14 days or until a negative COVID test is received.

If your child has any symptoms please ensure they have a COVID Test before you consider sending them back to school.

Entrance and Pick up

- * Please stay within your year group bubbles when queuing in the mornings and at the end of the day.
- * For your own safety please keep your distance whilst in the queue. We recommend all adults to wear a mask especially if you need to speak to staff at the school gate.

Keeping children safe

- * When waiting for the gates to open please ensure your child waits with you and is supervised closely.
- * If your child is an independent traveller please talk to them about behaving in a safe and responsible manner before and after school. Whilst it is the parents responsibility to get their child to school safely we want all our children to walk through the gate happy and safe in the mornings!

Thank you

- * Thank you for all your kindness and messages of support. We really appreciate them.
- * We know the changes haven't been easy and this worrying time is causing a lot of anxiety.
- * Please get in contact with us if anything is bothering you. We are happy to listen.
- * If we work together we'll get through this together. Take care and God Bless.
