How do I apply?

- How soon can I apply?

- the application process begins on 1 September 2022

- Where do I apply?

- apply online at www.eadmissions.org.uk

How do I apply?

- How many schools can I apply for?
 - you can apply for up to **SIX** schools
 - you will rank the schools in your order of preference
 - it is important to think carefully about the order as you will not be able to change it after the closing date
- Can I apply to schools outside Barnet?
 - yes, you must include all your chosen schools, whether inside or outside the borough where you live

How do I apply?

- **Realistic Preferences**

- if you only list one school, it will not increase your chances of getting a place at the school and your child will be considered for that one school only
- if this is unsuccessful, you may miss out on an offer which could have been made at another school which may no longer be available
- it is important to make realistic school choices to increase your chances of securing an offer and to avoid disappointment
- it is important to check how places were offered last year
- remember the cut-off distances are just a guide and will change every year.....
-just because you live nearer to the school than the last child offered a distance place last year, it doesn't mean your child is guaranteed a place

How do I apply?

- Do I need to fill in any other forms?
 - all voluntary aided schools and some foundation schools, free schools & academies will ask you to complete a Supplementary Information Form (SIF)
 - the SIF will ask for additional information, for example
 - faith schools will ask about church attendance and require a priest's reference
 - selective schools may ask about any medical condition that needs to be taken into account at the test and they may also require a photograph
 - Jewish schools will also ask you to complete a Certificate of Religious Practice (CRP), which must be signed by a Rabbi
 - SIFs and CRPs must be returned to the individual schools

How do I apply?

- **What else do I need to provide?**
 - **Proof of address**
 - your child's permanent address must be used on the application form
 - you must not use a temporary address or an address of convenience, this include a child minder's address, a business address or the address of a relative or friend
 - if you own a property previously used as a home address and apply from another address, the second address may be treated as an address of convenience
 - if you have moved within the last two years you will be asked to provide proof of the new address and proof that you have disposed of the previous property
 - if there is some doubt about whether an address of convenience is being used, an investigation will be carried out and the findings reviewed by a panel

Fraudulent addresses

- each year a small number of parents provide a false address to get a school place
- in doing so they could be depriving your child of a place
- providing false information is a criminal offence
- if you know someone who intends to use a false address, you can report this in confidence to the Corporate Anti-Fraud Team
- report it online at www.barnet.gov.uk/anti-fraud
- call the fraud hotline on 020 8359 2007

Selection Tests

- Schools must give parents the test results before they apply for a school place
- applications to sit the tests should be made directly to the individual school

Selection Tests

- When will the tests be held?
 - Selection tests for Barnet schools (*Ashmole Academy, Friern Barnet, The Henrietta Barnett, Mill Hill County High, Queen Elizabeth Boys', St Michael's Catholic Grammar*), will be held from May to September 2022

What happens next?

How will places be allocated?

- if the school receives more applications than places available, the published admissions criteria will be applied to decide who can be offered a place
- each school listed on the application form is considered against the admissions criteria regardless of the preference order
- your ranking order is not passed to the individual schools

Offers

Will I be offered more than one school place?

- no child will be offered more than one school place
- if your child qualifies for more than one school place, you will be offered the school which you ranked higher on your application form
- any school ranked as a lower preference than the one you have been offered will automatically be withdrawn and offered to another child

Offers

Are there enough school places available?

- Yes
- There has been an increase in the demand for secondary school places
- This was expected and Barnet has planned for the additional places needed
- Every child will be provided with a school place
- It may not always be possible to offer a preference school

Offers

Appeals

- every parent has the right of appeal
- appeals are heard by an independent panel
- you will have the opportunity to present your case in person
- you will need to convince the panel that your child's needs are more important than the school's need to limit the admission number
- appeals are unlikely to be successful unless there are exceptional grounds
