Choosing a school

Check the admission limit

- each school has a set number of places available
- this means some schools only have one form of entry (30 places)
- larger schools have 3 or 4 forms of entry

How do I apply?

How soon can I apply?

The online application system opened on **1 September 2024**

Where do I apply?

You need to apply online at www.eadmissions.org.uk

(or check your Local Authority's website if you live outside London)

What if I don't have a computer at home?

You can:

- use your smart phone or tablet
- go to your local library
- go to an internet café
- ask a friend or relative for help

How do I apply?

How many schools can I apply for?

- you can apply for up to six schools
- you should rank the schools in your order of preference
- it is important to think carefully about the order as you will not be able to change it after the closing date

Can I apply to schools outside Barnet?

- yes, you must include all your chosen schools on the single application form, whether they are inside or outside the borough where you live

How do I apply?

Realistic Preferences

- if you only select one school, it **will not** increase your chances of getting a place at the school and your child will be considered for that one school only
- if this is unsuccessful, you may miss out on an offer which could have been made at another school and you are likely to be offered a place at the nearest school with a vacancy
- it is important to make realistic school choices to increase your chances of securing an offer and to avoid disappointment
- it is important to check how places were offered last year
- remember the cut-off distances are just a guide and will change every year.....
-just because you live nearer to the school than the last child offered a distance place last year, it doesn't mean your child is guaranteed a place

How do I apply?

Do I need to fill in any other forms?

- All voluntary aided schools and some foundation schools & academies will ask you to complete a Supplementary Information Form (SIF)
- the SIF will ask for additional information, for example
 - ☐ faith schools will ask about church attendance and request a priest's reference
 - ☐ Catholic schools may ask for a Certificate of Catholic Practice (CCP)
 - ☐ Jewish schools will also ask you to complete a Certificate of Religious Practice (CRP), which must be signed by a Rabbi
- SIFs, CCPs and CRPs must be returned to the individual schools

How do I apply?

What else do I need to provide?

■ Proof of address

- ☐ your permanent address must be used on the application form
- ☐ you must not use a temporary address or an address of convenience, this includes a child minder's address, a business address or the address of a relative or friend
- ☐ if you own a property previously used as a home address and apply from another address, the second address will be treated as an address of convenience
- ☐ if you have moved in recent months you may be asked to provide proof of the new address and proof that you have disposed of the previous address

■ A copy of your child's birth certificate

Fraudulent address

- each year a small number of parents provide a false address to get a school place
- in doing so they could be depriving your child of a place
- providing false information is a criminal offence
- if you know someone who intends to use a false address, you can report this in confidence to the Corporate Anti-Fraud Team
- report it online at www.barnet.gov.uk/anti-fraud
- call the fraud hotline on 020 8359 2007

How do I apply?

When is the closing date for on-time applications?

- 15 January 2024
- You must apply before 12 midnight on 15 January

How do I apply?

What happens if I miss the closing date?

- Your application will be given lower priority than on-time applications
- in previous years, some children did not get a place at their older sibling's school because their applications were late
- some late applications may be treated as 'on-time' if there is an exceptional reason (for example you have just moved into the borough)
- You must let the Admissions Team know your reason by **9 February 2024** (Reason for Late Application Form, will be available online).

What happens next?

Co-ordinated admissions

- the admissions process is co-ordinated by all 33 London boroughs, neighbouring boroughs and other home counties
- application lists are exchanged
- offer lists are drawn up
- offer lists are exchanged.

What happens next?

How will places be allocated?

- if the school is over-subscribed, the published oversubscription criteria will be applied to decide who can be offered a place
- each school listed on the application form will be considered against the individual school's oversubscription criteria
- your order of school preference is not passed to the individual schools.

Offers

Will I be offered more than one school place?

- Where the applicant qualifies for a place at more than one school, a place will be offered at the school that was ranked as the higher preference on the application form
- any lower preferences will be withdrawn and offered to other children
- no child will be offered more than one school.

Offers

When will I hear?

- National Offer Day is **Tuesday 16 April 2024**
- emails will be sent to all applicants in the evening of 16 April
- applicants who are not offered their first choice can log in to their eAdmissions account for further information

Offers

Accepting offers

- click on the 'Reply' button at the bottom of the offer email notification and log into your eAdmissions account and submit your response
- places must be accepted by **30 April 2024**

No offer

What happens if I don't get any of my preference schools?

- where possible your child will be allocated an alternative school
- this will normally be the nearest school with a vacancy
- remain on the waiting lists
- appeal for a place

Appeals

- every parent has the right of appeal
- appeals are heard by an independent panel
- you will have the opportunity to present your case in person

.....however

Reception class appeals are nearly always unsuccessful because....

- infant class sizes must not exceed 30 children
- infant class appeals are only successful if you can prove that the local authority or the school has made a mistake

or that

- the decision not to offer a place was not rational or was outrageous in its defiance of logic
