

Year 6 Autumn 2

Darwin's Delights

Dear Parents and Carers,

Ship ahoy! We're off on an exciting journey with Charles Darwin and his crew on the HMS Beagle. Welcome to Autumn Term 2 in Year 6. Our topic this half term is all about Charles Darwin. Please see below for what we will be covering in each subject this half term.

Kind regards,

Miss Grace and Miss Sonnenfeld

<u>Science</u>	<u>Maths</u>	<u>English - writing</u>	
<p>Evolution and inheritance: To recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago. To recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents. To identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.</p> <p>Living things and their habitats: To describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including micro-organisms, plants and animals. To give reasons for classifying plants and animals based on specific characteristics.</p>	<p>Multiplication and division: Long division Multistep problems Order of operations</p> <p>Fractions: Adding and subtracting fractions Multiply and divide fractions Fractions of amounts</p> <p>Converting units: Metric measures Miles and kilometres Imperial measures</p>	<p>Diaries: Diary entry in role as Charles Darwin exploring the Galapagos Islands</p> <p>Letters: Writing to other scientists about Charles Darwin's discoveries on the Galapagos.</p> <p>Explanations: The theory of Natural Selection.</p> <p>Newspaper Reports: An article outlining the threats facing the Galapagos.</p>	
<u>PSHE</u>	<u>RE</u>	<u>Computing</u>	<u>PE</u>
