

# Year 6 Summer 1

## A Child's War

### Dear Parents and Carers,

Welcome to Summer 1 in Year 6. A siren sounds and a Spitfire zooms overhead! It's 1939 and Britain is at war. This half term, we'll imagine what it was like to be evacuated and live with a family other than our own. We'll plot the Second World War's events on a timeline and learn about rationing, Pearl Harbour and the Battle of Britain. From a range of maps, we'll identify safe and dangerous places during the war and make persuasive posters to support the war effort. From a range of sources, we'll find out about children and school during the war and learn about discrimination that existed at the time. We'll learn about what it was like during the Blitz and think about how soldiers might have felt.
