ST. CATHERINE'S CATHOLIC PRIMARY SCHOOL

ACCESSIBILITY PLAN POLICY

We believe that this Accessibility Plan is compliant with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010. School Governors are accountable for ensuring the implementation, review and reporting on progress of the Accessibility Plan over a prescribed period.

'A person has a disability if he or she has a physical or mental impairment and the impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities. This means that in general the person must have an impairment that is either physical or mental; the impairment must have adverse effects which are substantial; the substantial adverse effects must be long-term; and the long-term substantial adverse effects must be effects on normal day-to-day activities.' (Equality Act 2010)

1. St. Catherine's Catholic Primary School Accessibility Plan Policy has been drawn up based upon information supplied by the Local Authority, and in conjunction with pupils, parents, staff and governors of the school and will advise other school planning documents. The Accessibility Plan will be reported upon annually in respect of progress and outcomes, and provide a projected plan for the 3 year period ahead of the next review date. This plan was updated in June 2020 and reflects the new statutory requirements for the setting of Equality Objectives.
2. We are committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.
3. St. Catherine's Catholic Primary School Accessibility Plan shows how access is to be improved for disabled pupils, staff and visitors to the school in a given timeframe and anticipating the need to make reasonable adjustments to accommodate their needs where practicable. The Accessibility Plan will contain relevant and timely actions to:
 - Increase access to the curriculum for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils; (if a school fails to do this they are in breach of duties under the Equalities Act 2010); this covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits – it also covers the provision of specialist or auxiliary aids and equipment, which may assist these pupils in accessing the curriculum within a reasonable timeframe;

- Improve access to the physical environment of the school, adding specialist facilities as necessary – this covers improvements to the physical environment of the school and physical aids to access education within a reasonable timeframe;
 - Improve the delivery of written information to pupils, staff, parents and visitors with disabilities; examples might include hand-outs, timetables, textbooks, text messages, emails, link to school website and information about the school and school events; the information should be made available in various preferred formats within a reasonable timeframe.
4. The Accessibility Plan relates to the key aspects of physical environment, curriculum and written information.
 5. Whole school training will recognise the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.
 6. The Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:
 - Teaching and Learning Policy
 - Staff Handbook
 - Code of Conduct
 - Health & Safety Policy
 - Special Educational Needs and Disability Policy
 - Behaviour Management Policy
 - School Improvement Plan
 7. The Accessibility Plan for physical accessibility relates to the Access Audit of the School, updated by the school and remains the responsibility of the governing body. It may not be feasible to undertake all the works during the life of this Accessibility Plan and therefore some items will roll forward into subsequent plans. An accessibility audit will be completed by the school prior to the end of each period covering this plan in order to inform the development of a new Accessibility Plan for the on-going period.
 8. Equality Impact Assessments will be undertaken as and when school policies are reviewed. The terms of reference for all governors' committees will include the need to consider Equality and Diversity issues as required by the Equality Act 2010.
 9. The school will work in partnership with the Local Authority and the Diocese of Westminster in developing and implementing this Accessibility Plan.
